

Faith Stories - Celebrating God's Life-Changing Work at Faith Church

You may recall seeing some of our students out front selling pumpkins back in the fall. We were selling pumpkins for the Student Ministries here at Faith Church. When all was said and done with the pumpkin sales, the students from our Student Leadership Team asked what we would be doing with the funds. They were given two options, we could either use the funds on ourselves, or we could use them to help out a local organization. Unanimously our student leadership team voted to donate the funds to a local ministry that could use the help.

So we got in contact with Sojourner Truth Ministries in Williamsport to see if they had any needs. Pastor Velinda was so happy to hear from us. She said they have been hurting lately for snacks for their afterschool program. So a couple of weeks ago, we went to Sam's Club on a Saturday morning and went on a bit of a shopping spree. We purchased and packed enough snack bags for 175 students! What a blessing, and on top of that, we had funds left over that are being donated to Sojourner Truth as well!

I am so proud of these kids and for their servants hearts. The students within Faith Church have great hearts for service and I could not be more proud of the people that they are growing into. They are being shaped by each other, as well as the many adults who give selflessly of their time each and every week, to pour into their lives. They are also shaped by all the others they come into contact with in our church family. So I would like to say thank you so much for faithfully supporting the Student Ministries here at Faith and helping these students to connect, grow, serve & go in their faith.

Director of Student Ministries

Pastor's Pen

"Now therefore revere the LORD, and serve him in sincerity and in faithfulness [. . .] choose this day whom you will serve." Joshua 24:14-15

The beginning of a new year is a time when many of us reflect on the year that has been and make resolutions for the year that will be. I'd like to offer you some of my personal reflections as your pastor on the year ahead for Faith Church and invite you to begin the New Year with an old Methodist resolution.

We know that this will be a significant year in the history of Faith UMC. In the first few months we will make decisions as a congregation about the first new building addition in almost 50 years. God willing, we will break ground later in the year.

This is an awesome time to be part of the church. The decisions we make now will shape the disciple-making ministry of the gospel at Faith for years to come. In order to make this vision a reality, we as a congregation are going to be asked to step up in our commitment and faith in ways that we never have before. I can't wait to see what God will do through us as we pray 'not my will, but Your will be done.'

Please put the date of the next informational meetings on your calendar. Saturday, January 21 following the 5:30 worship service and Sunday, January 22 following the 9:45 service. We will share an updated design of the addition, give updates on the process and answer questions.

That brings me to the resolution. As men and women in the Methodist tradition, we have a history of recommitment and resolution at the beginning of the new year called a Covenant Renewal Service. John Wesley first began this service around 1755 and it became common for Methodists to practice it on New Year's Eve, New Year's Day, or the first Sunday of the New Year. In this service, the people are commended to remember God's claim on their lives and to recommit to going 'all in' for God.

Worship on New Year's Weekend

Come to worship before you ring in the new year at our regular 5:30 Saturday service with a message from Pastor Rusty about beginning 2017 with purpose. New Year's Day there will be one 9:00 am combined service. **There will be no Hands On Bible Club**, but the nursery (up to age 2) will be open.

Seek Him Still

Church Office Closed

Due to New Year's Day being on Sunday this year, the church office will be closed on Monday, January 2.

Pastor's Pen Continued

The service takes seriously our human inclination to forget who we are and whose we are. It also makes clear that the transforming work of God in our life and in our world requires partnership with the work of the Holy Spirit. The Spirit invites us to 'work out' what God is 'working in' us (Phil. 2:12-13). This 'working out' requires our clear commitment that God's will would be done and not our will.

The prayers in the service are radical statements of total commitment to God's work in us. Wesley knew that there was no resolution that we could make to begin the New Year that had more potential to bring positive change to ourselves, our families, and our world. I invite you, as this year begins, to do at least one part of the service – the Covenant Prayer. For this moment in the life of our congregation, no prayer could be more important. Cut it out and put it on your nightstand, in your Bible, or on your refrigerator. Read it, pray it, and meditate on it. Recommit this year to be 'all in' for God. Let's see what God may do in your life, and in the life of our congregation. May God bless you as you open yourself to God in this new year.

Together with you on the journey,

Pastor Jake

(If you are interested in the full covenant service, I'd be happy to get you a copy.)

A Covenant Prayer in the Wesleyan Tradition

I am no longer my own, but Yours.
Put me to what You will, rank me with whom You will.
Put me to doing, put me to suffering.
Let me be employed by You or laid aside for You,
exalted for You or brought low for You.
Let me be full, let me be empty.
Let me have all things, let me have nothing.
I freely and heartily yield all things
to Your pleasure and disposal.
And now, O glorious and blessed God,
Father, Son, and Holy Spirit,
You are mine, and I am Yours. So be it.
And the covenant which I have made on earth,
let it be ratified in heaven for all eternity. Amen.

Sunday, January 8 - Parsonage Open House

You are invited by Pastor Jake, Susan and Naomi to drop by for an Epiphany Open House at the parsonage on Sunday, January 8. Follow the star to enjoy some good conversation, food, and a chocolate fountain! We don't know how many people can fit in the parsonage, but this will be a fun test! We are going to stagger visitors by asking you to come at a time connected with your last name. This will also give you the chance to see who else in the church shares your place in the alphabet! If you can't make it during that time, come when you can. The parsonage sits on the hill above the playground, 156 Brushy Ridge Rd. There is limited parking at the parsonage. If you are able, please consider parking up on the hill by the picnic pavilion or in the church parking lot.

- 2-3:00 pm – Last name starts with A - F
- 3-4:00 pm – Last name starts with G - K
- 4-5:00 pm – Last name starts with L - R
- 5-6:00 pm – Last name starts with S - Z

From Our Facilities Manager - David Miller

As we celebrate the New Year, we look back on some accomplishments in the care and upkeep of our facilities here at Faith Church from 2016.

You may have noticed that the roof over the Sanctuary and Narthex has a new look. This summer, layers of polyurethane coating were applied to stem the numerous leaks that had developed over the years and prevent new ones, as well as better insulate the building from the cold and heat.

With the transitioning of Pastors, this summer was an opportune time to do repairs and renovation to the parsonage, including replacing the well-worn carpet and repainting many of the rooms.

Some of the more visible items on the outside of the church that needed attention were attended to. The white cross on the front of the building was repainted and the bell tower was cleaned of built-up dirt and mineral deposits. New mulch was placed in the flower beds, signs, and around many trees to help keep the grounds looking neat and attractive.

Other capital improvements that will be upcoming in the future and coinciding with the new building project include reconditioning the paved areas around the church and painting the cement bumpers in the parking lots. Also, our 45 year old boiler that currently heats the building will be replaced with a more efficient gas boiler. In addition, fire alarms and building safety improvements will also be added to make the current facilities as well as the new addition more secure.

Thank you for your support and help in maintaining and improving Faith Church!

Amazon Smile - and Faith Church

AmazonSmile is a website operated by Amazon that lets customers enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com. And, if you are an *Amazon Prime* member, you still receive those benefits as well. The difference is that when customers shop on AmazonSmile (smile.amazon.com), the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases to the charitable organization selected by the customer. How does AmazonSmile work? When first visiting AmazonSmile, customers are prompted to select a charitable organization (Faith United Methodist Church) from almost one million eligible organizations. If you would like to support Faith Church in this way, use the link <https://smile.amazon.com/ch/23-2081934> to set up your account (or, if you already shop on smile.amazon.com, you can change the organization you support to Faith United Methodist Church).

GodTime Devotional Pages

During January, we will resume printing the GodTime devotionals for our 3rd-5th Grade students and I encourage you to begin this daily Bible study with your child in the new year. The benefit of this specific children's devotional is that it links directly to what your child is learning each weekend in HOBC. As a result, this allows them to explore individually or within the family, the same truths that they discuss with their teachers and peers, emphasizing the same life application daily but providing them with additional Scripture to illustrate the main point. Enjoy!

Orange Spotlight

During the month of January our kids will learn that Jesus is there when we need Him and that He is everything we need. Our elementary students will discuss what it means to have knowledge and why we should always seek to learn more about Jesus. As our children grow it is essential that we present Jesus in such a way that children can continually discover more about the character of God and what it means to follow after Christ. Our God is BIG and as long as we live we can never fully comprehend His majesty and power and glory or the depth of His love for each one of us as His children. The study of knowledge encourages children to see learning about Jesus as part of a journey toward and ever deepening relationship in which studying God's Word will draw them ever closer to the living God.
